## Workshop and Entertainment Conditions

Most of the entertainisa.com acts perform for an hourly rate. All necessary equipment is supplied by entertainisa.com and used to entertain all event attendees in a humorous manner.

All entertainers of entertainisa.com are contracted to entertain by performing their chosen art form. entertainisa.com does not entertain by being the butt of physical or personal abuse. Ongoing abusive and disruptive behaviour will not be tolerated. Contracts to entertain may be cancelled by the entertainer at any time if this becomes an issue and the full contract amount will require payment.

Bubble Boy bookings are made on the basis of hourly contracts. A carefully calculated quantity of balloons is provided per hour. If time falls short this is because of the sort of items made and not the fault of the artist. Any time over the hour does not require payment.

Joumana is a professional performer of Middle Eastern dance able to provide decorous entertainment for all ages. This dance form is not suitable for performance at bucks nights or other similar events.

Workshops for more than 15 people require the assistance of responsible adults which are to be provided by the client. Although all entertainisa.com principals maintain blue cards, we also prefer if an independent adult also monitors all workshop interaction with minors. This is to ensure further protection of the interests of entertainisa.com and their clients.

Discounts may be arranged if accommodation or transport is supplied by the client. The client arrangements must be approved by entertainisa.com before a discount can be applied. The final price must be settled several weeks before travel to the booking location is commenced.

Discounts are also available for a number of charitable bodies. Contact Flora on 0413350617 to see if your charity qualifies for a discount from entertainisa.com.

Payment is usually to be made before or on the date of the event. Any other payment option must be arranged prior to the performance date.

Information about entertainisa.com responsibilities can be found in our Code of Ethics.
